

THE SMART WAY TO DISCOVER TOODYAY

WHAT IS TOODYAYPEDIA?

Toodyaypedia is a WikiTown QRpedia project based around Toodyay. The project is a collaborative project between the Shire of Toodyay, Toodyay Historical Society and Wikimedia Australia.

They have come together to create an easy and informative solution to help people wanting to know more about Toodyay and the history behind it.

CHECK OUT WHAT THERE IS TO FIND!

As an historic town Toodyay takes pride and a sense of identity from its heritage.

Our original Toodyaypedia plaques were about places described in Our Living History Walking Trails Brochure. Thanks to Lotterywest a second group of plaques about people have been installed.

Now, not only will you be able to find out about our buildings but also about the people that have helped shape our history.
