### Additional Information

I've called Morangup home for the past five years, and in that time, I've been deeply involved in events and initiatives that strengthen the spirit of our community. As a candidate for the Shire of Toodyay Council, I bring a unique blend of global experience and local dedication shaped by decades of strategic leadership and hands-on service.

My background in international corporate governance equips me to navigate complex issues with clarity and foresight. But it's my grassroots involvement that keeps me grounded. I currently serve as Secretary of the Morangup Progress Association, I'm a member of the Toodyay RSL through my years in the Army Reserve and have been honoured as Volunteer of the Year and Life Member of RugbyWA and WA Country Rugby.

I'm standing for council because I care deeply about the future of our Shire. I believe in open, transparent decision-making, responsible land use, and ensuring our community has a strong voice. Whether its improving roads, supporting local events, or protecting the bushland we all treasure, I'm focused on practical outcomes that make a real difference.

I approach every challenge with strategic clarity, creative thinking, and a deep respect for our shared future. I won't make empty promises. Instead, I'll be a dedicated advocate, fighting for what matters most to you.

Let's build a council that reflects the best of who we are: resilient, forward-thinking, and united by purpose.
