### Tender 86 (02/2021)

<b>Tender Name</b>	<b>TEN 86 – (02 / 2021):</b> Bushfire Mitigation Works Program for Fire Mitigation	
<b>Brief description of goods or services required:</b>	<p>Bush Fire Mitigation Works, consisting of a number of treatments grouped into the following four categories:</p> <p><b>Fuel Reduction - Prescribed Burning</b></p> <p><b>Insurance Considerations:</b> The Shire notes that difficulty in obtaining public liability insurance potentially limits providers to the market. Thus, two options are provided when tending for these treatments:</p> <p><b>Tender Method A:</b> Contractor assumes full control for the prescribed burn. Contractor has all insurances relevant to section 8.1 of this document.</p> <p><b>Tender Method B:</b> Contractor requests Shire control of the prescribed burn with activities directed by a Bush Fire Control Officer appointed by the Shire under the Bush Fires Act 1954. Shire assumes insurance responsibilities with respect to public liability related to control of the activity. Contractor retains responsibility for all other insurances relevant to section 8.1 of this document including but not limited to vehicles, plant, and personnel.</p>
