VALE ALAN AXON

Alan Axon sadly passed away at the end of 2017.

The Shire would like to acknowledge Alan's valued contribution to the Community.

It was not that long ago that Alan and Bonnie arrived in Toodyay - about 5 years ago - and Alan's impact was immediate and has been, in that short time, incredible. Alan, as you know, was the driving force behind the new community radio station which is thriving. He was a stalwart at many community events both as master of ceremonies and with Bonnie as an entertainer. He committed so completely to his projects that many people did not realise he was unwell. Losing Alan is not as much about what he gave, but who he was and we all feel that we have been cheated by not having more time to spend with him. It is a very sad loss for the Community of Toodyay.

The Shire, Council and Community of Toodyay extends its deepest sympathy to Bonnie and family.

President's Pen - Cr Brian Rayner

Season's greetings to you all.

Don't forget the Australia Day breakfast, starting at 7.30 am, in Duidgee Park on Friday 26 January 2018, followed by the Governor's Australia Day WA Citizen of the Year Awards, for the Shire of Toodyay.

At the Special Council Meeting held on 12 December 2017, Council rescinded its decision from the meeting held on 28 November, and did not proceed with an application for a \$9,240,000 grant. Instead, a motion was moved to proceed with a grant application for \$4,840,000 under the Building Better Regions Fund. This grant application is for the swimming pool, the rectangular playing fields and the netball and basketball courts. Full details regarding the grant application and fund expenditure is available on the Shire website:

<http://www.toodyay.wa.gov.au/Council/Shire-Projects>

At the December Ordinary Council Meeting (OCM), council endorsed the Revised Local Planning Strategy with modifications and authorised the Chief Executive Officer to forward the Draft 2017 Local Planning Strategy to the Western Australian Planning Commission.

Council received several requests to lodge a submission to the Mundaring Shire in regards to the proposed modification and expansion of the Extractive Industry at 3650 (lot 556) Toodyay Road, Bailup. Residents and rate payers in the Morangup Sub Division have been seeking Council's support in this matter. The requested submission has been lodged.

Council in the past few months has received several retrospective applications regarding the Dog Act. The Act clearly stipulates two (2) registered dogs can be resident at each property in the Shire. The Dog Act is available for reading on the Shire Website. If residents intend to have more than two dogs, I am requesting that application is made prior to acquiring the animals. Please don't wait for our Rangers to contact you to ask if all your dogs are registered. Fines can be imposed.

Broadacre farmers have separate laws within the Act for Working Dogs.

On behalf of Council, I would like to wish all residents and ratepayers a happy and successful New Year.

Be aware - fire hazard by using that tool or machine?

The Shire of Toodyay has an SMS Notification service for when there is a **HARVEST, VEHICLE MOVEMENT & HOT WORKS BAN** to alert you to when a ban has been issued. It is a self- registering system where you simply text the word 'BANS' to 0408 017 439. Please note: This service is NOT a fire or emergency warning service.

Please keep in mind, on the days when a ban has not been issued, that it is still important to be mindful of the activities you are carrying out in hot and dry weather. If there are methods of preparation or alternatives you can take to avoid starting a fire, please consider them.

If you are using machinery or tools (including lawnmowers, whipper snippers, grinders, welders or any machine with a blade) in the vicinity of dry grass, please ensure you have adequate firefighting capabilities on hand.

Please think of our volunteers and landowners around you. No one wants to be responsible for a fire that gets out of hand.

Animals and the summer heat

With the heat well and truly having arrived in Toodyay it's time to consider the wellbeing of our pets and livestock.

Please do not leave pets in your car even for a few minutes. It can take only minutes for an animal to suffer in agony or cause death being in a hot car.

For pets in general but especially dogs please consider walking them when the heat is not at its peak. This limits the chance of dehydration, sunburn and causing pain to their paws from the hot ground.

Livestock as well as our household pets need to be considered in our summer temperatures. It is important that they have access to shade and more water than normal if possible. If you do not have extra troughs or means of providing extra water please check water levels regularly.

The welfare of animals is important and our Rangers work in conjunction with the RSPCA when requested to assist in addressing animal welfare issues.

For animal welfare concerns please phone the RSPCA on 1300 278 3589 or our Rangers on 9574 9370.
